

# Our Community Impact

CENTRAL CAROLINA  
HOSPITAL

A Duke LifePoint Hospital

**Central Carolina Hospital's** mission of *making communities healthier®* is at the heart of everything we do. It is deeply embedded in how we provide high-quality care for patients, expand and enhance our services, and make meaningful investments to promote the health and economic growth of our region.

For us, healthcare is personal. We are caring for our own neighbors, family, friends and loved ones. That's why our dedicated team is focused on advancing local care and keeping patients where they want to be – close to home. We are committed to meeting the unique needs of all those we serve, both inside and outside our hospital walls, and strive to be the preferred healthcare destination when our community members need care.

Together with Duke LifePoint Healthcare and community partners like you, we continue to advance our mission and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. It is our privilege to serve you.

We are pleased to share this summary of our impact in 2025.

Dave Santoemma, MBA,  
ACHE, CPPS, CEO

## 2025 Community Benefits

### Added new providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in critical care, family and emergency medicine, hospital medicine, urology, OB/GYN, pediatrics, anesthesiology, wound care and hyperbaric medicine, pulmonology, ophthalmology, speech language pathology, cardiology and more.

### Invested more than \$3.5 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included a parking lot repaving project, an expansion to the ER and a kitchen floor replacement.

### Donated nearly \$39.5 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

### Paid \$9,210,505 in taxes

We are proud to be a leader in our region, and our dedication to fiscal responsibility extends to both our hospital and community.

### Distributed a payroll of \$40,878,707 to approximately 520 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

**Duke LIFEPOINT**  
HEALTHCARE

Charity care and other uncompensated care includes charity care, uninsured discounts and uncompensated care. Physician recruitment costs include recruitment costs and support of new physicians' initial practice establishment in the community. Payroll includes consolidated salaries, wages, benefits and contract labor costs. Capital investments include facility expansions/renovations, equipment purchases, technology replacement, information technology additions/updates and routine facility upkeep and maintenance. All references to "Lifepoint," "Lifepoint Health" or the "Company" used in this release refer to subsidiaries of Lifepoint Health, Inc.

Our hospital is part of Duke LifePoint Healthcare, a joint venture of Duke University Health System, Inc. and Lifepoint Health®, which was established to build a dynamic network of hospitals and healthcare providers. The joint venture, which brings together Lifepoint's experience in community-based hospital management and Duke's world-renowned leadership in patient safety and clinical quality systems, is strengthening and improving healthcare delivery by providing community hospitals the clinical, quality and operational resources they need to grow and prosper.
